

Oh Lord My God Please

Prayer

GUARD MY IDEAS

Declarations

Speak this prayer aloud and return to it often. Meditate on it until doubt fades, faith rises, and what you declare becomes what you live.

The PRAYER

Heavenly Father, my Lord and King, I bring every idea, concept, strategy, and creative insight connected to this business before You. I acknowledge that ideas are seeds and must be protected to grow properly.

Father God, guard my ideas from theft, dilution, misrepresentation, and premature exposure. Teach me discernment in what I share, when I share, and with whom I share. Protect me from those who would misuse, replicate, or benefit from what You revealed to me in confidence.

Lord, also guard me from mishandling my own ideas. Deliver me from fear, hesitation, and neglect that cause delay or abandonment. Help me steward ideas with discipline, documentation, and action. Let what You give me be preserved, developed, and released at the right time.

In Jesus' name, Amen.

Oh Lord My God Please

Prayer

GUARD MY IDEAS

Declarations

Speak these divine declarations and affirmations aloud, and return to them often. Meditate on them until doubt fades, faith rises, and what you decree, declare, and affirm becomes what you live.

The DECLARATION

By the power and authority given to me through the shed blood of Christ Jesus, the Messiah and living God, I, (*speak your name*), decree and declare that my ideas are guarded and protected.

- I declare that theft, misuse, and premature exposure have no authority here.
- I decree and declare that every idea God gives me is preserved and properly stewarded.
- My ideas are protected.
- My creativity is secure. And my insights are guarded.

This declaration is sealed, established, and active now. So it is. So it stands. And so shall it be.

The AFFIRMATION

I walk in divine favor with God & with people. My work is received well. Opportunities align with ease. I am positioned correctly. Favor speaks for me.

This is who I am. This is how I advance. And favor surrounds my work.
