**This Business**

Speak this prayer aloud and return to it often. Meditate on it until doubt fades, faith rises, and what you declare becomes what you live.

## *the* PRAYER

Heavenly Father, my Lord and King, I come before You in the name of Jesus. You are the God who sustains what You establish and finishes what You begin. I bring this business before You, not just asking for growth, but asking for endurance, stability, and longevity.

Father God, sustain this business through every season. Sustain it through change, challenge, expansion, and refinement. When momentum slows, strengthen me. When responsibility increases, steady me. When excitement fades and routine sets in, anchor my commitment. I do not want to abandon what You have built because the work becomes demanding or the progress feels gradual.

Lord, guard this business from inconsistency, neglect, and loss of vision. Teach me how to maintain what You have entrusted to me. Help me show up faithfully, manage wisely, and adapt without compromising integrity. I want this business to endure, not collapse under pressure or be abandoned due to fatigue.

Father, sustain my obedience, my discipline, and my focus. Let this business stand firm, healthy, and productive for the long term.

*In Jesus' name, Amen.*

# SUSTAIN THIS BUSINESS

*Declarations*

Speak these divine declarations and affirmations aloud, and return to them often. Meditate on them until doubt fades, faith rises, and what you decree, declare, and affirm becomes what you live.

## *The* DECLARATION

By the power and authority given to me through the shed blood of Christ Jesus, the Messiah and living God, I, (*speak your name*), decree and declare that this business is sustained by God.

- I declare that instability, inconsistency, and abandonment have no authority here.
- I decree and declare that what God has started is strengthened and preserved.
- This business endures.
- This work is sustained. And this assignment remains standing.

**This declaration is sealed, established, and active now. So it is. So it stands. And so shall it be.**

## *The* AFFIRMATION

I sustain what God has entrusted to me. My business is stable and enduring. I remain faithful through every season. I do not quit prematurely. What I build continues to stand.

**This is who I am. This is how I remain. And my business is sustained.**
