GUIDE MY DECISIONS

Declarations

Speak this prayer aloud and return to it often. Meditate on it until doubt fades, faith rises, and what you declare becomes what you live.

The PRAYER

Heavenly Father, my Lord and King, I come before You in the name of Jesus. I acknowledge You as the God who sees the full picture while I only see in part. As I navigate daily decisions, responsibilities, and demands, I submit my judgment, reasoning, and choices to You.

Father God, guide every decision I make, both large and small. Guard me from reactive decisions made in haste, emotion, or fatigue. Deliver me from leaning solely on experience, logic, or preference without seeking Your wisdom. Teach me to pause before deciding, to listen before responding, and to seek You before acting.

Lord, expose blind spots and hidden consequences before they become costly mistakes. Align my decisions with long term purpose, not short term relief. Let wisdom govern my responses, discernment shape my choices, and obedience anchor my direction. I do not want to move on impulse. I want to move with instruction.

In Jesus' name, Amen.

GUIDE MY DECISIONS

Declarations

Speak these divine declarations and affirmations aloud, and return to them often. Meditate on them until doubt fades, faith rises, and what you decree, declare, and affirm becomes what you live.

The DECLARATION

By the power and authority given to me through the shed blood of Christ Jesus, the Messiah and living God, I, (*Speak your name*), decree and declare that my decisions are guided by divine wisdom.

- I declare that confusion, haste, and poor judgment have no authority over my choices.
- I decree and declare that I decide with clarity, discernment, and peace.
- My decisions are sound.
- My judgment is sharpened. And my direction is aligned with God.

I seal these declarations by faith. They are established, irreversible, and active now. So it is. So it stands. And so shall it be.

The AFFIRMATION

I make wise and measured decisions. I do not act impulsively. I seek wisdom before action. My choices are aligned with purpose. I am led, not reactive.

This is who I am. This is how I decide. And my decisions are guided and sound.
